

Iqbal Al-Ayyubi

Fullstack Developer

📍 Remote (GMT+7) | 🌐 iqbalalayyubi.vercel.app | 🐙 iqbalalayubbi | 🌐 iqbal alayyubi

Fullstack Developer with 1+ years of experience building end-to-end web applications using React, Next.js, Experienced in developing APIs, integrating databases, and implementing responsive UI from Figma designs.

Skills

Tools

- Git - GitHub, Bitbucket
- Figma, Jira, Notion, Jira

Frontend

- React, Next.js, (TypeScript)
- Tailwind CSS, Ant Design
- Zustand, Redux, TanStack Query

Database

- MongoDB, PostgreSQL, MySQL
- Prisma, Knex

Backend

- Node.js, NestJS, Express, Fastify
- REST API design & integration
- Authentication & role-based access

Projects

BeBalance — Fullstack Developer

(React, Fastify, PostgreSQL, Knex, Redux)

- Fullstack application from scratch
- Designed REST APIs and database schema
- Owned development lifecycle from feature planning to deployment

BayiBunda.id — Web Developer

(Next.js, Ant Design, Axios, TanStack Query)

- Built production-ready Next.js web application
- Integrated APIs and implemented responsive UI from design specs
- Collaborated with team while independently owning assigned features

EZCOURSE — Fullstack Developer

(React, Express, Prisma, Zustand, TanStack Query)

- Developed a content & community-based web platform
- Implemented modular API services and frontend data fetching
- Focused on scalability and clean separation between frontend & backend

InternPro — Frontend Developer

(React, Tailwind CSS, Ant Design)

- Implemented pixel-perfect UI from Figma designs
- Focused on usability, responsive layouts, and clean component structure

Experience

- **Fullstack JavaScript Development** — Binary Studio Academy
- **Backend Development** — Dicoding
- **Frontend Development** — Dicoding
- **Web Developer** — Xenopati
- **Frontend Developer** — SchoolTech

Education

B.Sc. Informatics Engineering

UPN Veteran Jawa Timur (2022 – Present)

Competitions

- Finalist — **AIROFEST Coding Challenge 2023**
- Finalist — **Veteran Competitive Programming 2022**
